**RELAX, RECHARGE, UNPLUG ON ARIZONA’S WEST COAST BEACHES;  
TWO NEW LAKE ATTRACTIONS WELCOME SUMMER VISITORS**

**LAKE HAVASU CITY, Ariz. (June 1, 2022)** –Wellness does not spring to mind when most people think about the Lake Havasu City area. But many visitors find it a soothing place to unwind and nurture their minds and bodies without breaking the bank at a luxury spa and resort.

The Arizona Office of Tourism has created a four-day itinerary of wellness experiences along Arizona’s West Coast beaches. Each experience offers visitors a chance to relax, recharge and unplug amidst awe-inspiring scenery. The first stop is River Island State Park near Parker, a year-round destination for those seeking both serenity and a water-filled adventure.

The health-and-wellness-focused itinerary includes Cattail Cove State Park, Lake Havasu State Park and a Sunset Charter & Tour Co. tour of Copper Canyon, considered the most scenic canyon on Lake Havasu.

### **Reflect, Renew, Connect**

“Here in the Arizona desert’s iconic landscape, we’re specialists in having fun despite the hot weather. On most scorching summer days, you’ll find locals and visitors gravitating towards lake-based activities,” says Terence Concannon, president/CEO of Go Lake Havasu.

“We have two new attractions we think will resonate with visitors looking to get out on the water to reflect, renew and connect with family and friends.”

Concannon says two sailing ships welcome summer visitors: the Dixie Belle sternwheeler, offering sunset and Fourth of July cruises, and Siren’s Gate, a replica pirate ship.

### **Ahoy *Sirens Gate***

Based at Havasu Springs is the 65-ft. *Sirens Gate*, a 1985 Gibson houseboat that has been converted to look like a ship from the worlds of Robert Louis Stevenson and *Pirates of the Caribbean*. Guests can stay on the boat while docked at Havasu Springs or anchored at one of the many coves or docks around the lake. They can also charter a captain to navigate the ship wherever they please.

The ship has two bedrooms, two heads (pirate talk for restrooms), a hammock and numerous nooks for hiding out. Add a shower, kitchen, central air, big upper deck, a gangplank, BBQ grill, tables and couches, music and theme lighting for a piratey good time. Four and eight-hour rentals are available Sunday through Thursday; overnights (it sleeps 10) are available anytime.

### **Ride a Riverboat**

The *Dixie Belle* is a custom-built circa 1983 replica, 60-ft. paddle wheeler Mark Twain would feel right at home piloting. The ship leaves from the dock at the London Bridge Resort, 1477 Queens Bay, near the London Bridge. New packages include Sunset Tours and a July 4, 2022 trip to watch the city's annual firework display. For more information:
